Oaklands House Care Centre is part of the Future Care Group - a leading provider of high-quality care homes, dedicated to creating unique settings and delivering outstanding care.

At Oaklands House we have the expertise and facilities to take care of you or your loved one - care, comfort, compassion and credibility are at the heart of our ethos and our priority is the welfare and happiness of our residents and staff. The home offers a full range of care options from nursing care to dedicated support for those living with dementia. Our highly experienced team are committed to enabling our residents to live the life they choose.

Oaklands House Care Centre is run as a family home and your loved one will be welcomed and cared for with compassion and comfort always in mind. Our approach to care is centred around family values and we place great importance in working with families, friends and the community as part of the caring process.

We aim to make a difference to the lives of each and every one of our residents, by providing the highest level of care and moments of joy, in a way that is personalised to meet individual needs, interests and preferences - enabling and inspiring each resident to continue to live a meaningful life.

Care personalised to you

Our approach to care is centred around family values and we place great importance in working with families and friends as part of the caring process.

We aim to make a difference to the lives of each one of our residents at Oaklands Care Centre, by providing the highest level of care and moments of joy, in a way that is personalised to meet individual needs, interests and preferences. Our residents have the freedom and flexibility to live

the life they choose, with as much or as little support as needed.

Personalised care plans are shaped around the needs of each individual resident. From daily support with routine activities and personal care to round-the-clock assistance and specialist care, our care team provide a sense of support that enables each resident to continue to live a meaningful life.

Lifestyle

We focus on promoting self-esteem and ensuring that residents always have a choice, building independence and ensuring they have the necessary support to enable them to nurture current and future interests.

Our activity and social programmes are created to reflect the passions and interests of our residents. With a variety of pursuits readily on offer each week including physical activities, cognitive stimulation, creative pursuits, social events, and on occasion trips and excursions – designed to enrich life and make each day meaningful.

We believe that food is one of life's greatest pleasures – mealtimes matter to our residents and to us. Oaklands House Care Centre has an in-house catering team dedicated to meeting each and every resident's dietary requirements.

Menus are prepared in consultation with our residents and cooked from scratch every day using only the best quality and seasonal ingredients.

There are two options at least, every mealtime and alternatives will always be available to suit requests.
