Your Future Matters at The Boynes Care Centre

The Boynes Care Centre is a substantial country residence combining classic English styling with a profusion of character.

This unique dwelling is in an enviable position with panoramic views of the Malvern Hills. The gardens and grounds boast large sweeping lawns with an abundance of fine mature trees and shrubs, extending to more than four acres. The wildlife makes this home, a nature lovers dream.

Perfectly located for Upton-upon-Severn, situated only a short distance from the banks of the River Severn, the home is a 10-minute drive from Malvern and 20 minutes from Worcester. The wonderfully proportioned Boynes has formal and informal rooms which include elegant fireplaces, ornate oak panelling, impressive ceiling heights and covered radiators. The accommodation is arranged principally over two floors with a lovely light and characterful reception room with patio doors opening onto the magnificent garden. The home is part of the Future Care Group - a leading provider of high-quality care homes, dedicated to creating unique settings and delivering outstanding care.

At the Boynes Care Centre we have the expertise and facilities to take care of you or your loved one - care, comfort, compassion and credibility are at the heart of our ethos and our priority is the welfare and happiness of our residents and staff. The home offers a full range of care options for up to 38 residents, from nursing care to dedicated support for those living with dementia and Multiple Sclerosis (MS). Our highly experienced team are committed to enabling our residents to live the life they choose.

The Boynes Care Centre is run as a family home and your loved one will be welcomed and cared for with compassion and comfort always in mind. Our approach to care is centred around family values and we place great importance in working with families and friends as part of the caring process.

We aim to make a difference to the lives of each and every one of our residents, by providing the highest level of care and moments of joy, in a way that is personalised to meet individual needs, interests and preferences - enabling and inspiring each resident to continue to live a meaningful life.

Care personalised to you

Our approach to care is centred around family values and we place great importance in working with families and friends as part of the caring process.

We aim to make a difference to the lives of each one of our residents at The Boynes, by providing the highest level of care and moments of joy, in a way that is personalised to meet individual needs, interests and preferences. Our residents have the freedom and flexibility to live the life

they choose, with as much or as little support as needed.

Personalised care plans are shaped around the needs of each individual resident. From daily support with routine activities and personal care to round-the-clock assistance and specialist care, our care team provide a sense of support that enables each resident to continue to live a meaningful life.

Lifestyle

We focus on promoting self-esteem and ensuring that residents always have a choice, building independence and ensuring they have the necessary support to enable them to nurture current and future interests.

Our activity and social programmes are created to reflect the passions and interests of our residents. With a variety of pursuits readily on offer each week including physical activities, cognitive stimulation, creative pursuits, social events, and on occasion trips and excursions – designed to enrich life and make each day meaningful.

We believe that food is one of life's greatest pleasures – mealtimes matter to our residents and to us. The Boynes has an in-house catering team dedicated to meeting each and every resident's dietary requirements.

Menus are prepared in consultation with our residents and cooked from scratch every day using only the best quality and seasonal ingredients.

There are two options at least, every mealtime and alternatives will always be available to suit requests.
